THE AWARD

A'Design Award and Competitions, aims to highlight the excellent qualifications of best designs, design concepts and design oriented products. A' Design Award and Competitions are organized and awarded annually and internationally in a wide range of categories,. Every year, products, concepts and works that focus on innovation, technology, design and creativity are awarded with the A' Award. The organization also helps the creative minds to meet with the business people to realize their product ideas or to reach a wider range of buyers for their existing products. The A' Award and Competition has a very well developed methodology for choosing the best designs using rigorous evaluative criteria, blind judging processes, score normalization, cross matching and more to reward only those designers and firms that truly deserve special recognition. The A'Design Award & Competition logo, awarded by international experts, is trusted the worldwide and denotes solidly proven design quality. Companies and design studios use the A'Design Award as a visible symbol in their communication. For potential clients, the A'Design Award winner logo is a guideline for finding the best products and creative services within the marketplace.
